

Key features

FDC Debt Fund

From growth capital to management buyouts, acquisitions to property developments, whatever your strategy we can provide access to flexible investments up to £7.5 million.

Investment available : up to £7.5m

Location : Within UK

Transaction type : Any considered

Sector : Any, including property

The FDC Debt Fund provides flexible debt funding to established mid-market SMEs operating in the UK. Working at the forefront of debt funding, our experienced Investment Directors develop a deep understanding of your business to make a rounded decision. Each deal is then uniquely structured to suit both strategy and cashflow for the long-term.

Key Features & Eligibility

- Available to established, profitable SMEs operating in the UK, working in any sector.
- Can be used for a broad range of purposes including shareholder transactions, growth capital and property developments.
- Every investment considered on a case-by-case basis, no stringent lending criteria.
- Flexible repayment structures of up to 5 years, designed to support both strategy and cashflow.
- Offering a genuine alternative to traditional lenders in terms of accessibility and flexibility.
- Experienced team ready to discuss a deal and navigate it through to completion.
